

Marist College Canberra

BASKETBALL

What we expect of parents

We ask that all parents:

- Get their child to training and games on time with the right equipment;
- Let coaches and managers know of any absences in a timely manner and inform them of any issues with regard to the health and wellbeing of the player;
- Support the Manager by carrying out bench duty;
- If there is an issue or concern raise it with the coach or manager at an appropriate time – if appropriate, issues can be raised directly with any MBC Committee member;
- Behave in the same way we expect players to behave - at all times show respect for referees, officials and members of other teams; and
- Look to volunteer where possible– there are always a job on hand at a basketball club – help the Manager out; look to join the Committee – all sorts of knowledge and skills are required - there's a job suitable for everybody.
