

## Marist College Canberra BASKETBALL

### What we seek of players

- That they look to enjoy the game and playing with team mates.
- That they work hard all the time and show maximum effort at games and training sessions with all players to attend Club training sessions with the aim of developing their skills.
- That all players commit to playing team based basketball - basketball is fun and teams deliver great results when everyone commits to playing as a team.
- That all players play the game in the right spirit and according to the rules of basketball - they should:
  - Respect and support teammates;
  - Respect, listen to and carry out advice and instruction from their coaches and managers;
  - At all times show respect for referees, officials and members of other teams.
- That they advise Coaches and Managers when they are unable to attend training or games.
